Hi All

I appreciate everyone coming out so we can continue to progress toward this solicitation. Per our meeting this week I have attached documents to be finalized for the Approved Procurement Plan (APP) (in which Michael would prepare). Please address all issues discussed. Under the additional notes I believe the only item left is getting the FITARA document. Please let Jody or I know if you need further information or any questions for JOFOC or any of these other attachments. Again Thanks.

Nancy,

Donna should already have received either an updated quote or a quote that reflects the revised SOW and that would be good for 30 or 60 days.

Donna can you verify if you have received the information from the vendor? Thanks, Jody

Nancy,

I am curious as to why you would need to send it to them. This is a public notice to make sure there are no other vendors out there that can do it. If we don't get any responses then we will prepare the award and send that to the vendor. Typically we don't send it to them but since it is public record then if you want to you can. Jody

I apologize...I thought you just needed that so I could put it in the IGCE. Please see the attached email, wherein Definers quotes a price.

That said, they'll still be responding with a formal offer, correct? We're interested in being able to evaluate their work in as they respond to what we've put together in the SOW and instructions to offerors.

Thanks!

Nancy,

Donna should already have received either an updated quote or a quote that reflects the revised SOW and that would be good for 30 or 60 days.

Donna can you verify if you have received the information from the vendor? Thanks, Jody

Nancy,

I am curious as to why you would need to send it to them. This is a public notice to make sure there are no other vendors out there that can do it. If we don't get any responses then we will prepare the award and send that to the vendor. Typically we don't send it to them but since it is public record then if you want to you can. Jody

Donna—

I apologize...I thought you just needed that so I could put it in the IGCE. Please see the attached email, wherein Definers quotes a price.

That said, they'll still be responding with a formal offer, correct? We're interested in being able to evaluate their work in as they respond to what we've put together in the SOW and instructions to offerors.

Thanks!

I appreciate everyone coming out so we can continue to progress toward this solicitation. Per our meeting this week I have attached documents to be finalized for the Approved Procurement Plan (APP) (in which Michael would prepare). Please address all issues discussed. Under the additional notes I believe the only item left is getting the FITARA document. Please let Jody or I know if you need further information or any questions for JOFOC or any of these other attachments. Again Thanks.

Hello All,

I apologize that you still have not received a response. I have not received an update on whether a request was ever submitted and/or received for an updated quote. However, during the last meeting we had, you asked what the next steps were and one of the next steps mentioned was once we received the final SOW from Tricia (which we did) Donna would need to request an updated quote from the vendor based on that revised SOW. In addition, prior to that meeting when we originally met to discuss the SOW because the original quote we received was basically a capability statement and it did not reference any parts of that SOW, it was stated then that the vendor would need to provide an updated or revised quote based on the any changes in the SOW. Hopefully, Donna can shed some light on whether she has already received the revised quote or an expected date on when she will receive the revised quote. Hope this helps. Jody

Hi – we have not heard back on this – so are assuming that donna has in fact received what she needs from the vendor – and that if we do not have other vendors who reply to the notice, we will be able to proceed with awarding the contract.

Please let me know the date the 5 day posting expires.

I appreciate everyone coming out so we can continue to progress toward this solicitation. Per our meeting this week I have attached documents to be finalized for the Approved Procurement Plan (APP) (in which Michael would prepare). Please address all issues discussed. Under the additional notes I believe the only item left is getting the FITARA document. Please let Jody or I know if you need further information or any questions for JOFOC or any of these other attachments. Again Thanks.

Hi – we have not heard back on this – so are assuming that donna has in fact received what she needs from the vendor – and that if we do not have other vendors who reply to the notice, we will be able to proceed with awarding the contract.

Please let me know the date the 5 day posting expires.

Nancy,

Donna should already have received either an updated quote or a quote that reflects the revised SOW and that would be good for 30 or 60 days.

Donna can you verify if you have received the information from the vendor? Thanks, Jody

Nancy,

I am curious as to why you would need to send it to them. This is a public notice to make sure there are no other vendors out there that can do it. If we don't get any responses then we will prepare the award and send that to the vendor. Typically we don't send it to them but since it is public record then if you want to you can. Jody

Hi All

I appreciate everyone coming out so we can continue to progress toward this solicitation. Per our meeting this week I have attached documents to be finalized for the Approved Procurement Plan (APP) (in which Michael would prepare). Please address all issues discussed. Under the additional notes I believe the only item left is getting the FITARA document. Please let Jody or I know if you need further information or any questions for JOFOC or any of these other attachments. Again Thanks.

Nancy,

I am curious as to why you would need to send it to them. This is a public notice to make sure there are no other vendors out there that can do it. If we don't get any responses then we will prepare the award and send that to the vendor. Typically we don't send it to them but since it is public record then if you want you can. Jody

Donna—

I apologize...I thought you just needed that so I could put it in the IGCE. Please see the attached email, wherein Definers quotes a price.

That said, they'll still be responding with a formal offer, correct? We're interested in being able to evaluate their work in as they respond to what we've put together in the SOW and instructions to offerors.

Thanks!

Donna—

I apologize...I thought you just needed that so I could put it in the IGCE. Please see the attached email, wherein Definers quotes a price.

That said, they'll still be responding with a formal offer, correct? We're interested in being able to evaluate their work in as they respond to what we've put together in the SOW and instructions to offerors.

Thanks!

Hi All

I appreciate everyone coming out so we can continue to progress toward this solicitation. Per our meeting this week I have attached documents to be finalized for the Approved Procurement Plan (APP) (in which Michael would prepare). Please address all issues discussed. Under the additional notes I believe the only item left is getting the FITARA document. Please let Jody or I know if you need further information or any questions for JOFOC or any of these other attachments. Again Thanks.

Nancy,

Donna should already have received either an updated quote or a quote that reflects the revised SOW and that would be good for 30 or 60 days.

Donna can you verify if you have received the information from the vendor? Thanks, Jody

Nancy,

I am curious as to why you would need to send it to them. This is a public notice to make sure there are no other vendors out there that can do it. If we don't get any responses then we will prepare the award and send that to the vendor. Typically we don't send it to them but since it is public record then if you want to you can. Jody

Hi All

I appreciate everyone coming out so we can continue to progress toward this solicitation. Per our meeting this week I have attached documents to be finalized for the Approved Procurement Plan (APP) (in which Michael would prepare). Please address all issues discussed. Under the additional notes I believe the only item left is getting the FITARA document. Please let Jody or I know if you need further information or any questions for JOFOC or any of these other attachments. Again Thanks.

Nancy,

I am curious as to why you would need to send it to them. This is a public notice to make sure there are no other vendors out there that can do it. If we don't get any responses then we will prepare the award and send that to the vendor. Typically we don't send it to them but since it is public record then if you want to you can. Jody

I apologize...I thought you just needed that so I could put it in the IGCE. Please see the attached email, wherein Definers quotes a price.

That said, they'll still be responding with a formal offer, correct? We're interested in being able to evaluate their work in as they respond to what we've put together in the SOW and instructions to offerors.

Thanks!

Donna—

I apologize...I thought you just needed that so I could put it in the IGCE. Please see the attached email, wherein Definers quotes a price.

That said, they'll still be responding with a formal offer, correct? We're interested in being able to evaluate their work in as they respond to what we've put together in the SOW and instructions to offerors.

Thanks!

Here's the SOW with the instructions, evaluation, and IGCE included at the end. I'm still waiting for a bit of information from Definers to complete the JOFOC, but I'll send it as soon as I have it.

Thanks everyone!

Hi All

I appreciate everyone coming out so we can continue to progress toward this solicitation. Per our meeting this week I have attached documents to be finalized for the Approved Procurement Plan (APP) (in which Michael would prepare). Please address all issues discussed. Under the additional notes I believe the only item left is getting the FITARA document. Please let Jody or I know if you need further information or any questions for JOFOC or any of these other attachments. Again Thanks.

Each region compiles clips each day – and early on we had asked them to send them to OPA – they all compile them in different ways.

Also, we have finally awarded the Definers contract (media service that Jahan had recommended), so we will start getting clips from them shortly. We have a startup call with them next week – and will include others on the call.

Environmental Headlines – prepared by the Region 8 Librarians – December 14, 2017

Note: Many newspapers are beginning to adopt subscription policies to govern access to their online editions. In some cases, this involves the creation of a free user account; in others, paid subscription is necessary to view more than a set number of articles (usually 20) per month. If you have difficulty accessing the news articles you need, please contact the library (library-reg8@epa.gov or (303) 312-7226) for assistance. Please note that the new Region 8 intranet site does not allow access to older headlines; if you need assistance retrieving a news article from a previous week or month, please contact the library.
